## **Working Conditions and Social dialogue**

*The Eurofound project investigates on basis of selected Working Conditions surveys in six countries (Austria, Czech Republic, France, Germany, Spain, and Sweden) and case studies in the care and construction sector the links between working conditions and social dialogue.*

*The project seeks to explore the nature of the links between working conditions and social*

*dialogue, in particular at workplace level, and to answer the following questions.*

- *Do working conditions differ on the basis of the presence or absence of social dialogue structures?*
- *How does social dialogue influence working conditions?*
